

Conflict Managers / Peer Mediation Program Development Supplement

The following are program development and support options provided by CDRC staff. These options are designed as means to both prepare the school setting for the CDRC program as well as sustain the program, once the training segment has been completed. The following are elements of program development helpful in establishing the viability of your new program.

- Program Development Manual (Standard)
- Program Team Orientation
- Identifying and Developing Funding Strategies
- Strategic Implementation Plan
- Needs Assessment
- Advisory Committee Orientation
- PR & Awareness Campaign
- Mediation Guidelines and Program Framework
- Student Orientation Initiative
- Faculty In-Service
- Family & Community Orientation
- Case Coordination
- Mediation Supervision
- Monitoring & Evaluating the Program
- Regular Reporting Tools
- Monthly Peer Mediator Check-ins
- Talk Works Players Presentations
